retired membership

Stay connected and make the most of your membership!

As well-seasoned administrators, ACSA's retired community are an extremely valued resource. Your involvement can help shape legislation for currently retired administrators and for all those retiring in the future. ACSA's Retirement Committee is the vehicle for which your specific issues can be heard. Their purpose is:

- To provide leadership, direction, clarification, and understanding of the State Teachers' and Public Employees' Retirement Systems to all ACSA members.
- To plan, provide, and encourage in-service training for administrators in the area of retirement.
- To investigate and to promote legislation that positively impacts or affects members of both systems.
- To encourage the continued participation, involvement, and service of retired ACSA members in the cause of improving education and enhancing community service in California.

If you wish to learn more about the Retirement Committee's activities, please contact the Committee Chair.
