President's Message

Bold and Courageous Leaders,

As my term as President comes to an end, I want to thank all of you for the opportunity to serve in this capacity. It has been a valuable experience both personally and professionally. ACSA is a well-respected and highly-regarded administrators association, and it has been such an honor just to be a part of this executive board.

I have been fortunate to have worked closely with such a quality board, committee and council members. I am very appreciative of all you have done this year. Our accomplishments have been impressive and it was truly a team effort. There have been so many noteworthy moments as I write this last message; I look forward to attending the Annual Region 6 Leadership Summit featuring our first job-alike sessions. I truly believe this is the result of listening to the members input, focusing on their needs first, and providing a quality, affordable conference!

This year has been great. Our theme was *bold and courageous leadership*. Here are a few of the highlights of our Region 6 work:

- Inaugural 2-day region leadership retreat (A's Game and Strategic Planning)
- Reactivated North Alameda Charter
- Inaugural 1-day Equity Symposium
- Three Women's Leadership Network events – well attended!
- Leadership Assemblies in October, February & May
- Legislative Action Day with 14 attendees in April
- Supported the election of Contra Costa County Superintendent Lynn Mackey and State Superintendent of Public Instruction Tony Thurmond
- Professional development/coaching support – 15 academies scholarships, 37 mentees in our mentor program, 5 Charter PD events
- Awarded 10 student scholarships, 13 Mini-Grants & 7 Every Student Succeeding scholarships
- Social media presence on Facebook and Twitter

Again, thank you to Region 6 administrators and a special thank you to Region 6 staff - Bob Giannini, Rose Lock and Steve Collins for their support! I look forward to working as the Past President with our new President Pam VandeKamp! Thank you for allowing me the opportunity to serve; I walk away with memories and friendships that I will forever cherish.

Remember to continue to be *bold and courageous* in your leadership and advocacy for our children!

Sincerely,

Region 6 Delegates discussing region progress on Year 1 milestones of ACSA Strategic Plan

Region 6 delegation to ACSA Leadership Assembly

At the May Leadership Assembly in Sacramento, your Region 6 President, President-Elect and Treasurer participated in a leadership training with ACSA leaders and staff. This was an opportunity for region leaders to develop a deeper understanding of ACSA and its current focus. Much time was spent on the second day with region delegates on the progress of ACSA's Strategic Plan in meeting Year 1 milestones. Region delegation was given time to plan for Year 2 milestones. You will hear more during this coming year.

ACSA is only as strong as the engagement of members at the local charter and region levels. Those administrators who are ACSA members know the value of the organization not just for them as individuals but also for the good of public education in California. It is THE professional organization for school administrators in our state. Please commit to sharing information with colleagues who may not understand all the benefits of being an ACSA member. Region 6 leaders and staff are also eager to come to your districts and share the information with administrators.

Thank you to Sonja Neely-Johnson for her outstanding leadership as our Region President this year. Her theme of *Bold and Courageous Leadership* guided our region's work this year as noted in her President's Message above. Sonja is a stellar example of a leader of leaders who is passionate about her profession and dedication to students. Above all, she has the most positive attitude about how we can all make a difference for children.

There are many leadership opportunities in ACSA. If you are interested in being more involved in Region 6 or at your charter level, don't hesitate to contact me.

Don't forget to check the Region 6 website regularly. We will be updating it this summer with information on minigrants, scholarships, PD events, etc. Of course, follow us on Twitter and Facebook!

Enjoy your summer and I look forward to serving you in 2019-2020.
