Book Exchange at the Summit

Back again for the 3rd year!

Many of us have cherished professional book collections that are hard to part with. Consider sharing them with other educational leaders. Bring these professional books (relatively current) to the Summit. We will have a table set up so attendees can give and take these valuable resources.

ACSA Principals Academy

ACSA academies - the fast track to your career!

The Principals Academy will be offered in Region 6 again for the 2019-20 school year over seven weekends during the year. The first weekend is on September 20-21. This academy will be held at the Contra Costa County Office of Education in Pleasant Hill.

Principals Academy will help you develop and refine your leadership skills and prepare you to achieve success at elementary, middle grades and high school levels. Topics include building a vision, finance, special education, equity and diversity, delivering curriculum, building a collaborative culture and more. We have a great team of presenters including Jeanie Cash, Mike Bossi, Michael Fine (FCMAT), Carol Loflin, Marsha Tokuyoshi, Sid Morrison, Margo Olson, Sheri Sweeney, Lorianne Ventura, and others. The last meeting of the year includes a chance to meet with superintendents and talk about building your administrative career.

The Academy offers you a chance to reflect on your site's needs and make plans for moving forward. If you are working on clearing your administrative credential, you can use the sessions towards your twenty hours of professional development requirement.

Sessions are lively with many opportunities to network with fellow administrators and engage in fun interactive activities. We welcome new or aspiring principals but also experienced administrators interested in a chance to update their skills and become transformational leaders.

Register online by going to www.acsa.org/academies.
