ACSA Academy Planning Survey

Greetings ACSA Region 6 Members,

In partnership with our Region, ACSA would like to bring the high quality professional learning available through ACSA Academies to you! ACSA's job-specific academies provide a solid foundation in the application of leadership and management fundamentals for administrators who are new to advanced leadership positions or aspiring to the same.

Your professional learning needs will help us identify high local and regional interest in specific Academies that would be of most service to your area of the state. And, in support of ACSA's Strategic Plan, we invite your input to inform our ongoing refinement, innovation and expansion of Academy offerings.

Please respond to the short survey (8 questions) at [ACSA Region 6 Academy Planning Survey: Professional Learning Priorities & New Academy Development](#) by Monday, November 4, 2019.

Thank you,

Pam VandeKamp, Ed.D.
ACSA Region 6 President
