Thriving off the Vine: Envisioning Bold and Courageous Leadership 2020 Virtual Leadership Summit Series

The Rights of California School Administrators

*Presentation by ACSA Member Assistance and Legal Support Team
John Almond and Lloyd Wamhof*

July 29, 2020 from 1:00 to 2:00 pm
Zoom

This interactive session will focus on the rights of California school administrators. The ACSA Member Assistance & Legal Support Team assisted 802 members during this past year. The team assisted with everything from March 15 notices to administrative leave issues, complaints and more.

John and Lloyd will address these and other issues and discuss your rights as an administrator. They will also address your questions and provide you with the legal procedures that must be followed in dealing with the demotion, reassignment or termination of any public school administrator. Finally, now that we're dealing with COVID-19 and potential school district budget cuts, we will address what you need to know about possible August layoffs under Education Code 44955.5 & 44956.5.

Braving Trust: Skills for Courageous Leadership in the Most Challenging Time of our Careers

Tovi Scruggs-Hussein

August 5, 2020 from 9:00 to 11:30 am
Zoom

Now, more than ever, vulnerability and trust are requirements for innovation and change. When we aren't willing to be vulnerable in our schools and communities, we avoid tough conversations and opt

out of vital conversations about equity and inclusion because we fear looking wrong, saying something wrong, or being wrong. Choosing our own comfort over hard conversations is the epitome of privilege, and it corrodes trust and moves us away from meaningful and lasting change. Our schools and districts need courageous leaders, and we need them now.

Join certified Dare to Lead™ facilitator, **Tovi Scruggs-Hussein**, in exploring how trust is built in our schools and organizations by digging into the four skill sets required of courageous leadership (which are teachable, measurable and observable). Increase your self-awareness and identify tools you can take with you into tough conversations - because we are already struggling with them and we know more are coming.

Based on the research of Dr. Brené Brown, Dare to Lead™ is an empirically based courage-building program. Brené is a research professor at the University of Houston where she holds the Huffington Foundation – Brené Brown Endowed Chair at The Graduate College of Social Work. She has spent the past two decades studying courage, vulnerability, shame, and empathy, and most recently completed a seven-year study on courageous leadership.
