<p>ETS—Mary Anne who oversees CAASPP and ELPAC accounts for the state will be present to seek our input on State testing. Come prepared to share your thoughts and ideas.</p>	<p>Mary Anne Arcilla and Barrett Snider, ETS, joined our meeting. Shared what the state is doing and getting input on anticipated challenges. Reaching out to teachers, parents, IT directors, etc.</p> <p>US Department of Education is not accepting waivers.</p> <p>Trying to ensure the test is valid, and done with equity and access for all.</p> <p><u>Small Rural District Conversation</u></p> <ul style="list-style-type: none"> ● Shared concerns about remote administration - including support from adults, internet connectivity, how reliable is the data? ● In-person testing centers - struggle with staffing ● Concern about participation rates ● Concern about determining the testing window ● Concern about equity, testing environment including noise, desk space, help logging on, help may be available ● How secure the assessment- if support embedded can be in technology would be helpful <p><u>ETS -- Unified Districts conversation</u></p> <p>The US Dept. of Education will not accept a waiver for DL/Hybrid/COVID19 thus the CDE has established a modified shorter testing plan. Reporting of individual student scores will be modified and will not include claims reporting as the shorter version will not allow for validity in those aspects of the summative testing. The CA State Board of Ed and CDE are discussing plans for modified testing to meet the US Dept of Ed requirements. Considerations our CIA Council requested with ETS representatives as they plan:</p> <ul style="list-style-type: none"> ● Device security for testing

	<ul style="list-style-type: none"> • Communication to parents PSA on what the test measures and importance of allowing students to take the test without parental assistance • Communication and PSA to parents/guardians and 11th grade students that the test will inform college readiness and therefore it is important to take the test; coordinated effort with CDE, CSU, and UC to prevent decline in participation rates • Need a testing schedule that allows for flexibility in test administration, i.e. one hour segments of the test • Simplified directions for testing for primary grades in anticipation of taking test in home without teacher proctoring
WestEd—Deb Sigman	<p>How might the cde do to help in reopening?</p> <ul style="list-style-type: none"> • Showcase of what is happening for those not yet open. • Break into groups for those who have reopened and those who are reopening <p>We will be creating a Community of Practice (COP) with a protocol on how to facilitate. Bonnie Munguia, Tandy Taylor and Beverly will meet with Deb Sigman</p>
Governmental Relations Update – Laura Preston	<p>LCAP Annual review- LCAP and LCP Shared looking for final counts Appears prop 15 will not pass. Not overly surprised since it was a split roll. Will look at future options.</p> <p>Issues: Teacher recruitment/retention Bills, trying to find ways to streamline processes to get credentials. Past bills did not pass eliminating cbest, rica and CSET. Attempting to strengthen the coursework to ensure the candidates learn how to teach reading in the programs.</p> <p>Concern testing will increase school insurance cost 3-14%</p> <p>SpEd Lawsuits</p> <p>Work Comp claims</p> <p>Looking at a “COVID” dashboard as how schools have impacted the counts for cases.</p> <p>Testing, special interest groups want the testing data.</p>

<p>Representatives & Reports—(Please provide written report to be linked to the agenda week prior to meeting)</p> <p>CASCD –Jason Angle Board Report – Sue Kaiser IQC (Ethnic Studies, Math Framework, Health Rollout) – Sue Kaiser State Board Advisory Group— CSLA—Margaret Arthofer</p>	<p>CASCD- Professional Development Opportunity</p> <p>Protecting Students During the Pandemic: Detecting, Preventing, and Addressing Child Abuse in the Online Classroom</p> <p>When: Tuesday, November 10, 2020 3:30 p.m. (Pacific time)</p> <p>You are invited to a Zoom meeting. Please register and receive the information to join below:</p> <p><u>Please click this link</u></p> <p>For: Teachers, Counselors, Administrators, and all interested educators</p> <p>Description: Educators have always been at the front lines of detecting and reporting child abuse. Since the Covid-19 pandemic started, cases of child abuse have risen significantly while reports have dropped, making the role of teachers in fighting abuse more critical now than ever.</p> <p>This webinar, presented by the Federal Bureau of Investigation and the United States Attorney's Office for the Eastern District of California, will equip teachers and administrators with the tools they need to detect, prevent, and report abuse of their students while teaching remotely during the pandemic.</p> <p>The presentation will focus on internet crimes against children, including trafficking in child abuse material and sextortion, and will provide practical advice for teachers working in the online classroom.</p> <p>Link for <u>IQC Updates</u> Margaret shared information around support that will be offered across the state. The press release will be posted tomorrow. She will post the information once it is publicly available.</p>
<p>Potential Future Topics—Be prepared to share topics of interest for November meeting</p>
