ACSA Legislative Action Days 2022

Join us for ACSA's annual Legislative Action Days to advocate for leadership, equity, support and investment on behalf of California's students and educators. Our outstanding Government Relations team will lead us for the two days. They will present advocacy tips and tools, feature legislative speakers and update attendees on our legislative platform and priorities.

This year's ACSA Legislative Action Days will be held virtually on April 4-5. This provides a wonderful opportunity to be informed about and participate in the critical advocacy work led by our organization. You can do this remotely without having to travel to Sacramento. You will feel productive and validated when you engage in this professional activity. You will be reminded that you can make a difference for our students and public education even during this very challenging time!

If you are interested in participating in the Region 6 specific activities, contact [James Parrish](#), our VP Leg Action. There will be opportunities to meet virtually with our local legislators or their aides.

Registration is required for this event. [Register now!](#)
