ACSA Leadership Summit - November 2-4 Sacramento

Join school leaders from throughout California as we strengthen our resolve to better serve our students at the 2023 Leadership Summit, which will be held Nov. 2-4 in Sacramento. As ACSA's premier professional development and networking event, this conference offers unparalleled opportunities to experience fellowship with school leaders who are driven by a common goal: "Challenge Accepted: Courageous and Effective Leadership for Equitable Student Outcomes."

- Will you commit yourself to learning and sharing on topics including equity, innovation, hiring, data and bold strategies for student support?
- Are you ready to open your mind and your heart for our keynote speakers? Dr. G.T. Reyes is an associate professor of educational leadership who helps school leaders develop programs with the power to liberate their students. Principal Kafele is one of the most sought-after experts on closing the "Attitude Gap" in schools. Ruha Benjamin is a professor of African American studies at Princeton who explores the relationship between innovation and inequity.
- Will you help celebrate your peers who are creating equitable school systems in which students can thrive?
- And will you salute those students who have overcome great challenges to achieve in school?

If you accept these challenges, we'll see you at the 2023 ACSA Leadership Summit! Please invite your staff and colleagues to join you and learn more about this conference at the following link, bit.ly/ACSASummit2023. Register NOW!
