New Region 6 Communication Channel Text Messaging

Region 6 Pilots SMS Text Messaging

Based on feedback from surveys and region discussions, our region will begin a pilot using SMS text messaging to send out reminders and alerts, particularly for time sensitive messages. To receive text messages from Region 6, you must opt in and give explicit permission to the mobile number you provide. You will not be able to respond directly to us through the SMS message but a URL to click may be provided if appropriate so you can get more targeted information.
