ACSA Legislative Policy Committee Seeks Your Input

Senator Laird's office has contacted ACSA to gain insight on a legislative proposal for the upcoming year. The proposal aims to give teachers and non-teaching staff priority enrollment for their children in their work schools, even if they live outside the district. It also suggests allowing districts to consider the benefits of continuity in education when making enrollment decisions, helping prevent disruptions for students already established in a school.

[Please complete this two question form](#) by **1/22** to provide feedback on this proposal.

Are you interested in providing feedback on other legislative policies? If so, email Hilary Dito (hdito@cccoe.k12.ca.us) or check the interest box on the current survey.
