It is needed. We are one person. We need to be able to get the information (stay on top of it).</p> <p>How can we send it out to others. Package the information for distribution to others.</p> <p>I look forward to these. This was a way to digest the information that is coming so fast and a way to collaborate with like peers.</p> <p>Current information. Timely and relevant that responded to what was happening in the moment.</p> <p>CA ASCD will support next year.</p>
