

Association of California School Administrators

Committee/Council Name*

Small School District Committee

Meeting Date*

11/01/2023

Meeting Highlights/Topics*

Governmental Relations update on how the extended tax deadline is affecting the State budget—the possibility of deferrals to fund school districts in the future. Arts and music education will not receive funds until February 2024 (with three years to spend).

Meeting Highlights/Topics*

Legislation to place a bond issue for mental and special education needs and homelessness will be delayed until the general election.

Meeting Highlights/Topics*

Sponsor presentations by 4 Oaks Wealth Management and SPG (Special Education Training) were presented. What educators should know about financial planning and opportunities to train educators to work with special needs students?

Action Items*

HOT TOPIC: Post COVID speech services - resources for small school districts.

Action Items*

HOT TOPIC: The Committee to Council transition was explained by Executive Director Edgar Zazueta to include a study this year by the LDC and the ACSA State Board.

Action Items*

HOT: TOPIC: Staffing & facility needs for small school districts. A possible solution is seeking special bond funding from the state legislature.
