11:35-11:40	CTE Master Plan Convenings Career Education Master Plan Webinar Slide Deck	<p>Good Morning: Thank you for your interest in our Master Plan for Career Education regional meetings. We are reaching out to share additional opportunities to share your ideas by joining our upcoming virtual session, submitting written recommendations, or submitting nominations to join one of our five statewide Constituency Groups.</p> <p>1. Join a virtual engagement session on May 15 from 12-1:30 or 3-4:30 pm</p> <p>If you are interested and available, please select one of the two webinar times and complete the associated Zoom link to confirm your participation in the virtual engagement session. Please note that we are limiting participation to those who have not yet attended an in-person regional convening because the information gathered at the virtual engagement session will be similar to the in-person regional convenings.</p> <ul style="list-style-type: none"> • Zoom link for the 12:00 - 1:30 p.m. session • Zoom link for the 3:00 - 4:30 p.m. session <p>During the virtual engagement session, you will have the opportunity to provide recommendations on one of twelve topics being considered within the Master Plan for Career Education. As part of the registration process, we'll ask you to select which of the twelve topics you would like to discuss during the session. See [link] for more information</p>

about each topic. Please note that these topics are preliminary ideas for discussion purposes only, and the input provided during the regional sessions will be used to shape the Master Plan in the coming months. By filling out the registration form, you will receive a direct Zoom link to the meeting. Your individual Zoom link cannot be shared with others.

2. Submit Written Recommendations by May 10

- Please review the [preliminary concepts](#) that are under discussion
- Then compile your specific recommendations. These could include ideas for new policies, changes to regulations, guidance regarding allowable use of funds, shifts in practice, or other ways to create structural change. Please bear in mind that solutions should assume no new funding.
- Please use this [survey](#) to propose specific solutions.

3. Submit Nominations for Constituency Group Input by June 14

The Governor's Office will convene five constituency groups that will review and provide targeted feedback on proposed solutions for the Plan.

1. Students and families;
2. K-12 and postsecondary educators;
3. Adult education and workforce training providers;
4. Employers and labor representatives; and
5. Advocates and policy makers.

Each group is charged with validating ideas that were generated through the public engagement process, identifying missing topics and red flags, and providing input to the Career Education Master Plan Task Force on whether the proposed solutions will address concerns of specific constituencies.

- Please consider a self-nomination or nominating your colleagues.
- There is no compensation for serving on the constituency group.
- [Nomination form](#)
- Nominations are **due by June 14, 2024** and will be announced in July. Information can be found on our [website](#).

Colorful Language by Governor's Office, and that the Chancellor's Office is being given the lead Seems to be a disregard for K12 in general.

Kathy from WestEd met with ROP and they had a very positive agreement.

*ADA - K12 FTES-Post Secondary - Struggling with CC teachers to give K12
Southern- Predominantly Community College
Bay Area - Community College and very few industry
Central - Predominantly Community College
Capitol region had half K-12 and half post secondary, only 2 individuals for industry/workforce*

		<i>Career Education is used instead of Career Technical Education - Regional Leveraging of Plans is concerning along with pathway alignment</i>
