Region XI President's Message

Valerie Brown

Region XI President 2015-2016

"Look! It's a bird! It's a plane! Nooooo, it's an Administrator from Region XI!!!"

Yes, Region XI is full of Administrative Super Heroes, cultivating our most important resource, our students!

It is going to be my honor serving as Region XI's President throughout this year. I am looking forward to the hard work (which has already started) implementing our Region goals: providing compelling learning experiences to all, building and maintaining networks of educational communities, and marketing our identity in new ways. I'm excited about the new relationships that will be built and the learning that will take place.

Education is always changing and we as administrators in Region XI are on the front lines of this change. I challenge you to not just be "present" with these changes, but to actively participate and play a critical role with the changes, helping to support the success of our students.

I thank you in advance for your role that you will play in making Region XI a great place to be a leader.

Sincerely,

Valerie Brown, Region XI President

Getting the Message Out on One Voice for Students

Use the Actionable Goals sheet and the Pocket Card as a guide for communications on One Voice for Students. Incorporate one of the three major themes in every communication you have with reporters, influencers or decision makers.

- I. Improve Student Outcomes.**
- II. Create Human Resource Processes that Support Meeting the Needs of All Students.**
- III. Create a Stable and Sufficient Funding System that Enables All Students to Meet California's High Standards.**

Deliver the One Voice for Students message by creating monthly goals/targets. At least once a month:

- Author an opinion/editorial (op-ed) or letter to the editor on One Voice and submit it to your local newspaper. We can help you draft op-eds.
- Call in to, or act as a guest on, one of the regional talk radio programs.
- Post One Voice details on a blog or newsletter. It is important to highlight One Voice themes in your communications to others in your local education community.
- Make two phone calls a month to local reporters to discuss your education agenda and weave in One Voice for Students messages. (It doesn't have to be the same reporters each month. If you need help identifying local media in your area, we would be happy to help)
- Meet, in person, with at least one reporter per month to discuss One Voice goals.

We are a resource for you. Our media relations expert stands ready to help you deliver the One Voice for Students message. If you need media relations assistance or have policy questions please contact Sherry Skelly Griffith, Director, Governmental Relations at (916) 955-1699.

Region XI Executive Director's Message

David Tonini

Greetings Region 11 A.C.S.A. Members,

It is a pleasure to serve as your Executive Director. Region 11 covers five counties and it is my responsibility to support you. I look forward to doing that again this year. I continue to be impressed with school leaders in our Region as I travel to meetings in Inyo, Mono, Kern, Kings and Tulare counties.

As you start the school year, I want to congratulate you on being a member of the Association of California School Administrators. You recognize that A.C.S.A. membership:

- Provides you access to the expertise of an extensive network of educational leaders

- Provides professional support and liability insurance in times of fiscal instability

- Gives you valuable news, research and information as well as discounted registration rates for professional development

- Gives you a strong political voice for the rights of school administrators

Your President Val Brown and your other Region Leaders have been developing plans and implementing the following strategies:

- To Make Region 11 school leaders the ones sought out by legislators when they are writing bills related to education

- To be the premier provider of professional development opportunities

- To provide a variety of opportunities for school leaders to network with each other

Important information is included in this handbook, put together by your Newsletter/Handbook Editor Dick Schlagel, such as the names and contact information for your Region Officers and Region Representatives to State Committees and Councils, meeting dates, and professional development opportunities. Take time to survey the handbook's content and use it as a resource throughout the year.

I would like to encourage you to attend a Charter or Region Meeting, They are open to all A.C.S.A. members. We would like to hear your voice on critical issues. In addition, I would recommend that you join the online A.C.S.A. Community for support from school leaders statewide and to provide support for all of them.

If I can be of any assistance in your role as an educational leader, please call me at 559 280 6228 or email me at davidto02@comcast.net. I look forward to supporting all of you again this year.
