

ACSA CTE Council Virtual Meeting Minutes

September 21, 2021

11:30am - 12:30 pm

Moderators:

- Naj Aikhan
- Guest Speaker - Serette Kaminski, ACSA Government Relations Team
skaminski@acsa.org

Discussion Items:

- Fifteen members on the call
- No agenda for the meeting
- Election for CTE Council President
 - On-line process administered by Arnaldo River
 - Ballots were emailed during the meeting and council members were given ten minutes (until 11:45am) to complete.
 - Only one candidate on the ballot: Lisa Rodriguez, Director of Student Services, Kings COE - Hanford
 - A total of 13 votes were made all in favor of Lisa Rodriguez
- Serette:
 - Google Form - link did not work
 - CTC Meeting: Establishing Pre-K credentials
 - Meeting on September 30th at 8:30am. Agenda item 2A, so it will be discussed early in the meeting.
- Future CTE Council Meetings:
 - Naj will work with Lisa on the structure of future meetings.
- ACSA Leadership Summit
 - November 3rd - ACSA is making safety precautions and offering virtual meetings.
 - Requested ideas for topics and the responses included:
 - CDE reporting
 - Changes to the CTE Incentive Grant (CTEIG). (The changes were to be published on 9/20, but nothing was released).
 - Update on new Perkins Regulations
 - Best Practices of Perkins
 - Challenges of small school districts to apply for Perkins and K12 SWP grant funding. They do not have the personnel to apply and manage the grants for so few dollars. The processes are too complicated and too demanding for little funding. Not enough money to warrant the time required to participate.

- Status of CTE Programs in the new school year.
- Topics for Future CTE Council Meetings
 - Addition of dual enrollment and not counting as “CTE Completers”
 - Having to recode courses improperly (as introductory) in order for students to count in Perkins and on the CCI.
 - CDE and CTC
 - They do not communicate and collaborate on credentialing requirements:
 - Computer Science, Engineering, AME and middle schools
 - Windfall Elimination Act
 - Need to have it repealed as it negatively impacts talent search for CTE programs.

Meeting Adjourned at 12:11pm
