Present: Please sign in

Meeting Called to Order at 11:45am

Speaker: Scott Kuykendall, Stanislaus County Superintendent of Schools
Topic: Stanislaus Rewired and Inspired
*NOTES: Scott's presentation focused on the following books: The Anxious Generation by Jonathan Hoidt and The Digital Delusion by Dr. Jared Cooney Horvath. Topic emphasis was to separate ourselves from our phones. The first 1,000 days - children should have no screen time because it impacts brain development. Children exposed early display early signs of autistic behavior. After the introduction of cell phone, there was a rise in depression among teens as well as suicide rates globally. In the 2nd book, research showed a lower IQ than previous generations. The author noted that 4 countries are ditching technology in the classrooms. AB 3216 - Districts are to develop policies to decrease screen time. Scott shared that he is very passionate about this topic and will share this presentation to whoever will listen!
