

SUMMIT VOUCHERS

Region 8 is hosting the ACSA Leadership Summit this year. The summit, full of terrific professional learning opportunities, is in SAN JOSE from Nov.1-4, 2017. In order to minimize cost of attendance at this summit, Region 8 is sponsoring summit vouchers at a discounted price of \$429 (regular cost is \$499 for members and \$629 for Non-Members).

Vouchers codes will be issued by ACSA on September 30th. Those using the vouchers will register on-line with the code. I will be distributing voucher codes by email in early October.

If you wish to purchase voucher codes please complete the following form no later than September 25th. Email the form so I know a check will be coming. Sorry no PO's. Only one form is needed for multiple vouchers. The name & email should be the person who will receive the vouchers and complete the registration.
