Dear Community/Business Partner,

Fresno Consolidated Charter is proud to announce its first annual Golf Tournament on Saturday, April 22 at the Riverside Golf Course. All proceeds will benefit the Fresno Unified School District Scholarship Fund. There is nothing more rewarding than investing in our 2017 graduates to further their education/career goals.

The Fresno Consolidated Charter is part of a larger state organization for school leaders here in the central valley. **ACSA's top priority is advocating for public school students in kindergarten through grade 12, as well as adult learners.**

We need our community to support this great endeavor. What better investment than in the students that will become leaders of tomorrow in our community nonprofits, business organizations and government institutions? We are requesting your assistance as a Tee Sponsor or contribution of your product for the Golf Tournament. Your tax-exempt contribution will build the Fresno Unified Scholarship Fund.

This event will attract many participants that will include community and business leaders and maybe even a few stars! It will be an excellent opportunity to have your company recognized on the event program, media highlights and at the event.

The ACSA Scholarship Golf Tournament will be held on Saturday, April 22, 2017 at Riverside Golf Course in Fresno, CA. Please let us know if you can join us with our ongoing goal of providing educational funds for our future leaders by joining as a corporate sponsor.

For any questions regarding the Scholarship Golf Tournament, contact: Susan Bedi, ACSA Executive Director 559.304.6053/acsafresno2016@gmail.com

Sincerely,

Susan Bedi, Executive Director

The Association of California School Administrator's Fresno Consolidated Charter is proud to announce their first annual Golf Tournament to benefit the Fresno Unified School District's Scholarship fund. Each year Fresno Unified awards scholarships to graduates pursuing post-secondary education and is supported by both employee and public contributions. These scholarships have made a great impact financially for students in need. We invite you to participate either as a sponsor or golf participant.

The Association of California School Administrators is the largest umbrella organization for school leaders in the United States, serving more than 17,000 California educators. ACSA's top priority is advocating for public school students in kindergarten through grade 12, as well as adult learners.
