## ACSA LOSES A LEADER AND A WONDERFUL FRIEND

Keith Parkhurst, educator, husband, father, coach and community volunteer, left us on September 6. His commitment to public education is well known throughout many counties in the Monterey and San Francisco Bay areas. His love for attracting and recruiting teachers and administrators will endure for many years to come. Keith was “the face” of ACSA in Region 10. Whenever he spoke about ACSA, he was sincere and truly believed that the good fight for public education was well worth all that anyone could give. Many of us have stories that we can tell about how Keith inspired and advised us. His legacy will continue in the work that we do each day to ensure that we have the best teachers in our classrooms, the best principals in our schools, and that we will give all that we can to improve the education of our students. His passing is but physical; his spirit lives on in ACSA, in our schools and in our hearts. Thank you, Keith, for your enriching our lives and for your dedication to ACSA. You will always be with us.

## REGION LEADERS MEET WITH STATE LEGISLATOR CANDIDATES

Led by Region 10 Legislative Action Representative Barbara Martinez, region administrators interviewed four candidates for legislative seats. The group interviewed Palmer Kain, Mark Stone, Mark Starritt and Luis Alejo. The interview focused on each candidate’s knowledge of public education and the needs and challenges of Region 10. The committee, along with input from a region-wide survey, will make recommendations to the state ACSA Legislative Policy Committee for further discussion. The interviewing committee, pictured below, was comprised of the following members (left to right): Dennis Kurtz, Caroline Calero, Billie Mankey, Mark Stone, Ann Kilty, Peter Gutierrez, Gary McIntire and Barbara Martinez.

## ACSA REGION AND CHARTER OFFICERS GIVE THEIR TIME

ACSA region and charter board officers give their time to represent all ACSA members at local and state levels. Region members serve as board members at region and charter levels, and serve as Region 10 Representatives on state councils and committees. Region and Charter boards meet once a month. State committees and councils meet three times a year. All region ACSA members and non-members should know who their representatives are and how to contact them. Listed is the contact information for Region and Charter Board Presidents and state council and committee representatives. For more information, members are encouraged to contact their respective board presidents. Members and non-members are always encouraged to attend board meetings. Check your ACSA App for dates and times.
