

committee and council virtual networking events

ACSA members have the honor to serve on Committees and Councils based upon job-alike functions or sharing a common interest or goal. For 2023, several of ACSA's Committees and Councils will offer an open session, Virtual Networking Event, where administrators will be able to join others similar in their job position or interest to network and learn. *These meetings are open to ACSA members as well as non-members.*

Meeting dates and times are listed below and all will be held virtually. You must register using the Zoom link which is listed below each meeting date and time. ACSA looks forward to seeing new faces at these events!

Please check the ACSA website at www.acsa.org/committees-councils#tab4 for the most up-to-date information as times/dates are subject to change.
