

The Association of California School Administrators of San Diego and Imperial Counties and the **San Diego County School Boards Association** proudly honors and supports our youth. We share the sentiments of all San Diego and Imperial County graduating seniors in this time of modified and altered high school traditions due to the current health concern. We remain proud and honor them for the successes and accomplishments as they move on to the next chapter in their lives.

In that spirit of pride, we want to acknowledge our ten college scholarship winners, and our Every Student Succeeding Award Winner. These are some of our finest youths and their accomplishments need to be applauded.

The following high school seniors who will be attending college and pursuing a career in education will each receive **The Association of California School Administrators** of San Diego and Imperial Counties (ACSA Region 18), and the **San Diego County School Boards Association** (SDCSBA) Scholarship of \$1,000 to help them reach their dreams.

Congratulations to our future educators and bravo to all of you!
