Region 14 Nominates Katherine Castleberry for ACSA State Vice President

Annually, ACSA at the state level has elections to select the next Vice President who will eventually become the ACSA State President. The role of the president is to support the regions and operationalize the vision of State ACSA which is to advocate in the best interests of students and to develop, empower and inspire equity-minded educational leaders.

This year, Region 14 has nominated Katherine Castleberry for State ACSA. Castleberry has served as region president, treasurer and on the State Board of Directors in addition to leadership roles in the Association of Torrance Administrators (Torrance Unified). The election takes place at the Leadership Assembly in May where delegates from every Region will vote for the next Vice President. We look forward to supporting Katherine in this journey.

Region 14 Kicks off the 2023-24 Year!

Region 14 kicked off the year with almost every charter in attendance at our fantastic Advance training. The Advance covered the Region's role in supporting the Charters, how to complete the Charter Plan, events for the year and allowed for feedback to the Region on the needs of the Charters. It was a great way to kick off the year.

After two well-attended networking recruitment events in August, the region now has 16 new members! Charters who have the highest recruitment numbers will receive \$500 for their charter and all charters will receive a Charter rebate of \$20 per member this year.
