---

- I. **Council Business Highlights (Key Topics/Presentations)**
  - Where to find additional resources on topics.
  - Benefits of NASSP and how the Legislature responds to Calls to Action and what makes something a high priority to them.
  - Wellness and connection check-in.
  
- II. **Council Action (Key Discussions/Planning/Impact)**
  - Considering adding Covid Practices to the Goals of the Council for the 20-21 school year.
  - We elected our Mistee Hightower Guzman as our President Elect. :) Yay :)
  - Mary is adding a folder (in Council group in the Thought Industries LMS) for members to add documents/resources related to Covid and reopening in Hybrid (email Mary with docs so she can add them for us).
  - Discussed topics for Middle School Council monthly check-ins and potential to open monthly check-ins for middle school administrators regionally or statewide.
  
- III. **Council Follow-Up (Next Steps/Region Communication)**
  - Share-out strategies for Region Impact - how did we communicate our Council's work today to our Region?
  - Questions on the status of state testing for the current school year.
  - How can we encourage more participation in the monthly check-in meetings?
  - Bringing strategies and issues to the check-in meetings that will be relevant to an open forum for principals statewide.
