Region 6 Representative to ACSA Board of Directors

Raul has been leading our Region as President this year and continuing to actively participate on the Legislative Policy Committee as our Region 6 Representative. These roles have expanded his ACSA experience locally and statewide.

Since day one of his presidency, Raul's commitment to serving our region has led to supporting our Executive Officers to develop robust [Professional Learning](#) programs, [Membership](#) drives, and promoting [Every Student Succeeding](#). This all focuses on reorganizing and maintaining stability with our [Region's goals](#) for consistency, as our Board of Directors collaborated during our Planning and Progressing Conference last August.

As the Region 6 Representative to the Legislative Policy Committee for several years, Raul has worked on past and current legislations while providing local input to the state committee. This participation will complement Raul's role as a prospective ACSA board member. As our Region President, he continues to learn about our local concerns and celebrate our successes in Region 6 which will enable him to bring our region's voice to the state level.
