REGION 7
ASSOCIATION OF
CALIFORNIA SCHOOL ADMINISTRATORS

LEADERSHIP DIRECTORY
AND
BYLAWS

Region 7 ACSA webpage: regions.acsa.org/7

iDream, iEmpower, iLead for a brighter future is the State ACSA theme for this year as well as the theme I have chosen for us in Region 7. It is a theme we can all relate to, whether you look at it from the view of creating 21st century classrooms (the small i's) or from the view of *why* we do *what* we do every day. We all entered education because we have a passion for making a difference in the lives of children. It is that passion that drives us to dream, empower, and lead for a brighter future.

For over four decades now, ACSA has been the leading organization advocating on behalf of administrators and California's public schools. School and District administrators are incredibly hard working and dedicated individuals. We are involved in one of the world's most important professions... educating students of all ages.

In these challenging times in public education, **leadership** may be the most important asset we have- **leadership matters!** With all of the difficulties we face every day in our districts and at our school sites, it is truly impressive to see courageous individuals step forward for ACSA to offer their leadership on behalf of their colleagues, their profession, and the students of California.

Please use this directory to become familiar with the people serving you in your ACSA charter as well as in Region 7. By taking on their respective offices or committee / council roles and the duties that come with them, the administrators listed in this directory are rising to the occasion to serve all administrators in Region 7. I encourage you to connect and communicate with them through charter and region activities, General Membership Assemblies, job-alike opportunities, or simply call them for support or be there when they need your support.

I look forward to meeting and working with all of you over the course of this year. Thank you for everything you do every day on behalf of the students of California and for making ACSA the best it can be.

Sincerely,

Sean Snider
ACSA Region 7 President

ACSA MISSION STATEMENT:

- *Support California's educational leaders;*
- *Ensure all students have the essential skills and knowledge to excel;*
 - *Champion public education.*
