

Adult Education Council Meeting

The third ACSA State Adult Education Council was held on Wednesday, January 12, 2022. The meeting was initially scheduled to take place in-person in Sacramento, but COVID restrictions led to meeting be held via Zoom. The meeting included each region sharing positives and challenges that they are experiencing. There was a common theme with struggles due to COVID including enrollment, attendance, and staffing. Also included:

- Governor's budget generally mentioned adult education. More details will come in February with trailer bills.
- Adjustments to Continuous Improvement process and upcoming application for 2023-2027 funding.
- Adult education needs to show collaboration with Local Workforce Development.
- AB1232- waiver of tuition for EL classes at junior college. Question arose on how this would affect Adult Ed funds and enrollment.
- Funding requirements will be adjusted for site allowances due to consistent low enrollment.
- OTAN resources
