Barbara Martinez seconded the motion. Minutes approved.
  - d. Discuss at-large Job-alike Meeting
- IV. **DRDP Discussions** (10:35 AM)
  - a. Question: How are we supporting principals in knowing the tool? How can we help principals support teachers to use data from the tool to shape learning experiences?
    - i. Strategies/Best Practices
      - [Learning Genie](#)- John shared that the Learning Genie is a great tool to take data
        - Easy to use for teachers, licenses by range of # of students
        - Does not integrate with SEIS, or other programs

- There is still limited data analysis to inform instructional change
- Tandy shared that the TK teachers in her district are using the DRDP- working towards using data to inform setting up classrooms, planning for lessons, etc. Challenge- making principals understand the tool, why it's used. How is the data being shared with families?
- Dean shared that they are using the CLASS document- helpful to look through the lens of interactions
- Valerie shared- upcoming administrator support network series (virtual)- [Register Here](#), [Flier](#)
- [Walk-Through Tool](#) - would be great to update as a working group
- Dean shared how to get administrator buy in- two day training on CLASS and PLF- created laminated cards for PLF. Tandy asked if there has been an MTSS articulation for ECE- Dean shared that they redesigned MTSS based on the PLF- other data sources such as ASQ have been used as well. Interventions have been provided for CSPP students with after school programs with Title 4 funding. CSPP summer school has been used with half day programs.
- Training: [desiredresults@wested.org](mailto:desiredresults@wested.org) Great resource for admin and teachers alike

V. **Region Reports** (11:05 AM) – *All Region Representatives*

VI. **GR Lunch Time Update** (12:00 PM)

VII. **Workforce Discussion Breakout** (1:00 PM)

- a. Communities of Practice- discussion about building capacity and then sharing with our districts to support ECE, become trainer of trainings, utilize speakers
- b. Curriculum- May want to pause on adopting TK curriculum- CDE may come out with recommendations, especially with PLF new re-alignment
  - i. Concern that some teachers will need the support of a curriculum to create lessons and activities
  - ii. Teachers don't have training in PLF or were teaching prior to the PLF coming out
  - iii. [Teacher Tom](#)
  - iv. [LAUSD TK Resources](#)
  - v. Ventura County Office of Ed UPK [Padlet](#)

VIII. **Workforce Discussion Regroup** (1:35 PM)

- a. Dean shared plans for LAUSD to partner with University of La Verne to create a pipeline of aspiring ECE educators to work as ECE instructional assistants (Using Educator Effectiveness Grant/UPK grant to pay for the permit program). IA's would commit to working in LAUSD for the opportunity to earn their ECE permit.

IX. **Actions & Takeaways** (1:45 PM)

X. **Adjournment** (2:00 PM)
