EQUITY SYMPOSIUM: AFFIRMING AND ELEVATING STUDENT AGENCY

February 9 & 10, 2024 - Santa Clara Marriott

Student voice. Student agency. Equity at the center. At this Equity Symposium, educational leaders will come together to explore, to innovate, to reimagine a pedagogy of possibility. As social justice leaders, we honor and celebrate students' linguistic and cultural wealth and the assets they bring with them to their learning. As instructional leaders, we center equity-driven inquiry in order to transform how we teach and learn.
